15 January 2025
EMA/15991/2025
Executive Director

Your Excellency,

Subject: Nomination of representatives in the Management Board (MB) of the European Medicines Agency

In accordance with Regulation (EC) No 726/2004, members and alternates of the European Medicines Agency's Management Board and scientific committees are nominated for a three-year mandate by EU member states and EEA-EFTA countries.

The three-year mandate of the representative listed below will be expiring soon. I, therefore, invite you to nominate a new representative for a new three-year mandate starting from the date indicated below. In case you are nominating a new representative and a different start date for the mandate is envisaged, please inform me accordingly.

- Alar Irs Alternate 18 May 2025

When submitting the nomination, note that the Agency's Management Board has determined that members and alternates should meet conditions concerning their declarations of interests as described in the policy on the handling of competing interests of Management Board members. This policy is published on the EMA website.

Please address the nomination to my attention at Executive.Director@ema.europa.eu (with copy to Nominations@ema.europa.eu), indicating full contact details for the nominee and a start date of the mandate (if no particular start date of the mandate is mentioned, the nominee's will start their mandate on date of receipt of nomination + 1 day). Also, any additional information you believe may assist this nomination. In case you already provided me with your nomination, I kindly ask you to disregard this correspondence.

Yours faithfully,

Emer Cooke Digitally signed by Emer Cooke
