Speaking Invitation: EU Digital Summit – 9th June 2025

Dear Minister of Justine and Digital Affairs,

I have the pleasure to invite you to participate as a guest speaker at the upcoming edition of the **EU Digital Summit (EDS)**, which will take place on the **9th of June 2026** in Brussels.

On the theme “**Breaking digital barriers: positioning Europe for global digital leadership**”, the Summit will bring together policymakers, industry leaders, finance, academics and civil society to support Europe’s shift from rule-making to execution.

Throughout the day, the Summit will address the main implementation challenges of **Europe’s digital transition**. Topics will include regulatory alignment and enforcement; scaling digital infrastructure, cloud and compute under energy and permitting constraints; and moving from pilots to productivity in **data** and **AI**. We will also discuss trust, safety and openness in platform governance, as well as **cybersecurity** and **geopolitical resilience**. The programme will further consider the talent and investment foundations required to sustain **Europe’s digital competitiveness**.

We would be delighted to benefit from Ms **Liisa-Ly Pakosta**’s participation in one of our high-level sessions, which will be moderated by our media partners (FT, WSJ, Bloomberg TV, CNBC).

My team and I are entirely at your disposal for any further information you may require. Looking forward to your highly appreciated support.

Yours sincerely,

Arnaud Thyssen

Director General
