Subject: Study trip of Austrian trainee judges to Tallinn, October 2025

Dear Ms Leichter-Tammisto and Ms Hussar,

the Viennese judge candidates' study trip to Estonia was a great success. It was definitely one of the highlights of the year for all the participants. All the participants enjoy looking back on their stay in Tallinn and Tartu, which provided them with many insights into the history and culture of Estonia, the intricacies of the judicial system as well as the distinctive political, economic and social aspects of your country.

I would like to extend my heartfelt thanks for the warm welcome and excellent organization during our visit of your fascinating Supreme Court. It was a great pleasure for the group to meet you at the Riigikohus, and I sincerely appreciate the time and effort you dedicated to arranging such an informative and productive program.

Your informations and the ensuing discussions and exchanges provided valuable insights into Estonian practices of the Supreme Court. We were particularly impressed by your openness in providing all those informations. The insights you gave concerning the selection process of the judges in your country were invaluable to us.

Please convey my gratitude to everyone involved in the meetings. The hospitality and professionalism shown by all of you made our stay both pleasant and highly beneficial.

I look forward to maintaining a close cooperation and to welcoming you to the Palace of Justice in Vienna in the future.

Thank you once again for your kind hospitality and fruitful collaboration.

Yours sincerely,

Wien, am 16.November 2025

Die Präsidentin des Oberlandesgericht Wien
