Dear Mr Shah,

In order to establish a non-profit association you need to submit necessary documents to the Estonian Business Register. The easiest way would be via a notary. Please find enclosed a link to the website that explains the founding procedure in more detail [Founding a non-profit association | Eesti.ee](#)

With kind regards,

Dear [Ministry of Justice and Digital Affairs](#)

I am writing to formally apply for the registration of WePlantGreen.org as a non-governmental organization (NGO). Our organization is dedicated to environmental conservation, reforestation, and sustainable forestry projects to combat climate change and promote ecological restoration globally.

About WePlantGreen.org

WePlantGreen.org is committed to:

- ✓ Reforestation & Afforestation: Planting fast-growing trees & bamboo for carbon offset 🌱
- ✓ Sustainable Agroforestry: Supporting farmers with eco-friendly land management 🌍
- ✓ Climate Change Mitigation: Advocating for greener policies & ecosystem restoration 🌿
- ✓ Community Engagement: Educating & involving local communities in environmental protection 🌐

Purpose of Registration

The registration of WePlantGreen.org as an NGO will enable us to:

- Legally operate & collaborate with government agencies, international organizations, and local partners.
- Apply for funding & grants from climate action funds and environmental initiatives.
- Expand our impact globally, especially in reforestation and climate change mitigation.

We kindly request your guidance on the next steps required for approval. We are fully committed to compliance with all legal and regulatory requirements.

Thank you for your time and consideration. I look forward to your positive response. Please feel free to contact me for any additional information.

Yours sincerely,

Firoz Shah (Founder)
