

SIXTEENTH MEETING OF THE EHTF

Maynooth, 25–26 November 2026

Three years after Budapest: From commitments to action

25 November 2026

Duration: 90 minutes

Objective

The session will take stock of progress in implementing the [Budapest commitments](#) since the [Seventh Ministerial Conference on Environment and Health](#) highlighting key achievements, challenges and priorities for further action.

Session outline

Time*	Segment	Format
5 min	Introduction to the session	Brief opening and scene-setting.
25 min	Keynote: Environment and health three years after Budapest <i>(to be confirmed)</i>	Strategic overview of progress, major developments, emerging challenges and future priorities
30 min	Budapest snapshots	Moderated panel discussion on important developments at global, regional and national levels <i>(optional)</i> . One-minute pitches by EHTF members and stakeholders highlighting key achievements and future priorities and introducing their posters ahead of the gallery walk.
30 min	Budapest in action: Interactive poster gallery	Interactive poster exhibition where participants can engage directly with the presenters, network and exchange ideas on achievements, challenges and future priorities.

**The time allocation is tentative and subject to adjustment depending on the number of posters to be presented.*
