Project proposal

JUSTACT - Co-creating Restorative Justice Action Plans for Better Access to Restorative Justice for Victims and Offenders in Europe

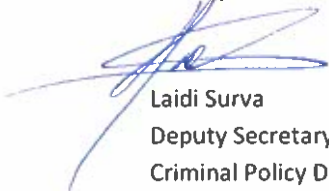

The Ministry of Justice and Digital Affairs of Estonia, represented by Laidi Surva, strongly supports the project application "*JUSTACT - Co-creating Restorative Justice Action Plans for Better Access to Restorative Justice for Victims and Offenders in Europe*" (proposal to be submitted under the European grant call JUST-2025-JACC-EJUSTICE).

The project *JUSTACT* has the goal to further advance the development of high-quality restorative justice services and to strengthen access to restorative justice to all victims and suspects/ accused persons in Europe.

The proposal is submitted by the European Forum for Restorative Justice (Belgium) together with project partners from Czech Republic, Estonia, Germany, Ireland and Italy.

The Ministry of Justice and Digital Affairs of Estonia is committed to participate in the multi-agency stakeholder groups and/or to contribute to the design of national restorative justice action plans, including participating at side activities for capacity building and awareness raising.

Tallinn, 12.09.2025
