Dear Mr. Ville Sirviö,

On behalf of the "Turkmenaragatnashyk" Agency of Transport and Communications Agency under the Cabinet of Ministers of Turkmenistan, I am pleased to invite you and your esteemed organisation to take part in the international Exhibition and Conference "TurkmenTEL-2024", which will be held on November 14-16, 2024 in the city of Ashgabat.

This prestigious event is organised with the aim of promoting cooperation and innovation in the telecommunications sector of Turkmenistan and the Central Asian region. Participation in this conference provides many benefits, such as: interaction with industry leaders and establishing of new collaborations; knowledge sharing through keynote speeches and panel discussions; exploration of the latest technologies; analysis of the dynamics of the telecommunications market in Central Asia and beyond.

The conference will cover key topics including: Artificial Intelligence and Machine Learning; AI-based network optimisation; The importance of cybersecurity in today's digital society and ecosystem; Innovative information technologies; Quantum communications; Advantages and challenges of cloud telecommunications solutions for telecom operators; 5G and 6G Evolution; Space technologies and satellite communications; Sustainable Practices in Telecommunications Infrastructure; Smart city technologies and digital transformation.

This conference will provide a unique opportunity to discuss strategies, share best practices and develop joint projects that will contribute to the overall development of the region. We believe that the contribution of your organisation will significantly enrich the discussion at the conference, strengthen existing partnerships and contribute to the creation of new contacts for mutually beneficial cooperation.

For more information, please contact the Organizing Committee at the following contacts:
