### **Request concerning of pontoon-barge**

In answer to your request concerning the registration of ponton-barge build in Nordic Ocean Productions OÜ (ID code 16754646), Loksa shipyard, Estonia, with the hull number (Yard No) 001 and the measures L=39,150 x B=7,485 x D=3,406m and hull weight 130 ton, Estonian Transport Administration confirms that nobody has applied for the coordination of the name or its registration in Estonian Ships Register.

Yours sincerely

(Digitally signed)  
Jan Jaanson  
Head of Shipping Department
