Dear Madam/Sir,

In connection with your request for payment of the balance, I would like to inform you about the calculations for your grant.

Since you have received more payments than the final grant amount, we intend to recover the difference (**EUR 165,082.24**) by starting a recovery procedure.

You will find the detailed calculations in the enclosed documents.

Please submit **observations** — within **30 days** after receiving this letter — as formal notification via your [Funding and Tender Portal account](#).

Please note that the deadline for the payment of the balance will be suspended until the end of this contradictory procedure.

Please ensure that the other members of your consortium (if any) are informed of this letter and are given the opportunity to contribute their observations.

For any questions, please contact us via your [Funding and Tender Portal account](#).

Yours faithfully,

Authorising Officer
