May 29, 2026

Hon. Karmen Joller
Minister
Ministry of Social Affairs
Republic of Estonia

Dear Madam Minister,

I am pleased to inform you that the applications are now open for the training courses organized by Taiwan's International Healthcare Training Center (TIHTC), operating under the Ministry of Health and Welfare.

Since its establishment in 2002, TIHTC has empowered more than 2,300 professionals from 84 countries around the world through advanced medical and healthcare training programs. These continuing education initiatives are essential for healthcare professionals seeking to deepen clinical expertise and strengthen global capacity against emerging global health challenges.

Taiwan is widely recognized for its advanced healthcare system and medical expertise. In commitment to supporting the international community, TIHTC is offering 3 training programs this year, including "Project Training," "Clinical Training," and "Customized Project Training." The lecture tuition fees will be subsidized by TIHTC, while airfare, accommodation, visa application fees, and living expenses shall be borne by the participants themselves.

The 2026 Training Schedule of TIHTC is enclosed for your reference. I would be deeply grateful for your assistance in circulating this information to Your esteemed ministry, relevant professional associations, research institutions, and hospitals to

sotsiaalministeerium
SAABUNUD
".....".....20.....a.
Nr.....

further promote professional knowledge and capacity-building in the field of healthcare.

Interested applicants may submit their application forms directly to TIHTC, with a copy kindly sent to this Mission for our records. Should you have any questions, please do not hesitate to contact me or Mr. Eugene Wu at +371-2800-9952 or via email at hxwu@mofa.gov.tw. Alternatively, this Mission may be reached at +371-6732-0610 or via email at lva@mofa.gov.tw.

I avail myself of this opportunity to renew to you, Madam Minister, the assurances of my highest consideration.

Sincerely yours,

Winston Wen-yi Chen
Representative

BURN INJURIES MANAGEMENT PROJECT TRAINING

August 3 - 8, 2026 | Taipei, Taiwan

TIHTC INTRODUCTION

Taiwan International Healthcare Training Center (TIHTC) was established in 2002 by the Ministry of Health and Welfare (MOHW), and has been administered by Taipei Hospital, MOHW since its inception.

TIHTC integrates the top medical teams and resources in Taiwan and provides continuing professional development training for healthcare professionals around the world. In the past 24 years, TIHTC has successfully trained over 2,300 healthcare professionals from 84 countries who are seeking to deepen clinical skills, and built capacity in preparation for emerging health challenges.

TRAINING OVERVIEW

This training is co-organized by Taiwan Society for Burn Injuries and Wound Healing

Effective burn care requires multidisciplinary coordination, specialized clinical protocols, and long-term rehabilitation planning. This project training introduces comprehensive burn injuries management, from acute care to recovery and system-level organization.

Drawing on Taiwan's clinical experience, the program covers burn prevention strategies, acute burn treatment, wound care principles, infection control, and rehabilitation planning. Participants will also explore how burn care services are integrated within broader emergency and trauma systems.

Language: English

Target Group: Medical professionals who work in burn care or plastic surgery departments

Application Deadline: July 3, 2026

LECTURE TOPICS

- Burn Injuries Introduction
- Management of Burn Injuries and Pain Control
- AI Used in Burn Wound
- Multidisciplinary Burn Care Team Coordination
- Medical Institution Visitation
- and more

SMART HEALTHCARE & SUSTAINABLE HOSPITAL PROJECT TRAINING

November 30 - December 5, 2026 | Taipei, Taiwan

TIHTC INTRODUCTION

Taiwan International Healthcare Training Center (TIHTC) was established in 2002 by the Ministry of Health and Welfare (MOHW), and has been administered by Taipei Hospital, MOHW since its inception.

TIHTC integrates the top medical teams and resources in Taiwan and provides continuing professional development training for healthcare professionals around the world. In the past 24 years, TIHTC has successfully trained over 2,300 healthcare professionals from 84 countries who are seeking to deepen clinical skills, and built capacity in preparation for emerging health challenges.

TRAINING OVERVIEW

As healthcare systems worldwide face demographic change, climate challenges, and digital transformation, smart and sustainable hospitals have become a global priority. This project training focuses on digital innovation and sustainability in healthcare, integrating technology, management, and ESG principles.

Participants will learn how Taiwan promotes smart healthcare solutions—such as health information systems, digital workflows, and data integration—while advancing sustainable hospital operations, including energy efficiency, green procurement, and environmental management.

Apart from the lectures, participants will have the chance to visit the 2026 Healthcare+ Expo Taiwan. From groundbreaking medical advancements to state-of-the-art technology products and digital healthcare solutions, the Expo offers a dazzling showcase of Biotech, Medtech, and Healthtech wonders in APAC.

Language: English

Target Group:

- Healthcare professionals who carry administrative responsibilities in healthcare institutions
- Healthcare professionals who work in government health agencies

Application Deadline: October 30, 2026

LECTURE TOPICS

- Smart Healthcare Technologies
- Hospital Digital Transformation
- Sustainable Hospital Management and ESG Practices
- Green Healthcare Initiatives and Resource Efficiency
- Net-Zero Emissions for Healthcare Industries
- 2026 Healthcare+ Expo Taiwan (visitation)

FEES

- Lecture Tuition: Subsidized by TIHTC upon MOHW application approval
- Other Expenses: Airfare, visa application, accommodation, and living expenses at participants' own expense

HEALTHCARE MANAGEMENT & NATIONAL HEALTH INSURANCE PROJECT TRAINING

October 12 - 23, 2026 | Taipei, Taiwan

TIHTC INTRODUCTION

Taiwan International Healthcare Training Center (TIHTC) was established in 2002 by the Ministry of Health and Welfare (MOHW), and has been administered by Taipei Hospital, MOHW since its inception.

TIHTC integrates the top medical teams and resources in Taiwan and provides continuing professional development training for healthcare professionals around the world. In the past 24 years, TIHTC has successfully trained over 2,300 healthcare professionals from 84 countries who are seeking to deepen clinical skills, and built capacity in preparation for emerging health challenges.

TRAINING OVERVIEW

Taiwan's healthcare system ranked 1st in the world for 8 years in a row (Numbeo, 2026)

Co-organized by Institute of Hospital and Health Care Administration at National Yang Ming Chiao Tung University, the training covers core leadership and competitiveness in-depth and promotes modern development in the management of international healthcare affairs.

Taiwan is internationally acclaimed for having the most affordable and accessible National Health Insurance (NHI) system. Participants will examine how Taiwan designs and operates its NHI system, manages healthcare resources, and balances cost control with quality of care. The program also introduces contemporary topics such as smart hospital development, data-driven management, and policy implementation.

Language: English

Target Group:

- Healthcare professionals who carry administrative responsibilities in healthcare institutions
- Healthcare professionals who work in government health agencies

Application Deadline: September 12, 2026

LECTURE TOPICS

- National Health Insurance (NHI)
- Health Systems
- Smart Healthcare
- Hospital Management
- Long-term Care
- Primary Care & Rural Health
- Hospitals and Health Institution Visitation
- and more

FEES

- Lecture Tuition: Subsidized by TIHTC upon MOHW application approval
