

# **The WHO European framework for action to achieve the highest attainable standard of health for persons with disabilities 2022–2030**

## **Resolution**

The Regional Committee,

Having considered document EUR/RC72/7 on the WHO European framework for action to achieve the highest attainable standard of health for persons with disabilities 2022–2030,<sup>1</sup> which was developed through consultation with Member States in the WHO European Region;

1. ENDORSES the WHO European framework for action to achieve the highest attainable standard of health for persons with disabilities 2022–2030;
2. URGES Member States,<sup>2</sup> at national and, as appropriate, subnational level to develop actions and evaluation mechanisms, guided by the implementation plan and the monitoring and evaluation framework, as per background document EUR/RC72/BG/7;<sup>3</sup>
3. REQUESTS the Regional Director:
  - (a) to provide technical support to Member States in implementing the recommendations of the WHO European framework for action to achieve the highest attainable standard of health for persons with disabilities 2022–2030;
  - (b) to report to the Regional Committee through a midterm report at its 76th session (2026) and a final report at its 80th session (2030).
