Invitation to Visit Estonia

Your Excellency,

I am sending my sincere wishes of good health and success to you and the people of the Sultanate of Oman. As the Minister of Economy and Industry, I am delighted to acknowledge that Estonia and Oman are both very open to innovation and broad technology application. I would be keen on strengthening our bilateral relations and cooperation.

With that in mind, I would like to extend my invitation to you to visit Estonia to exchange the experience in the field of economic cooperation, digital developments and post-digital government. We would also propose a meeting with our private sector representatives who have been our close partners through the digital journey.

Your Excellency, I would be delighted to facilitate the visit at the time of your convenience and hope to see you in Estonia soon during your visit to our region.

I am looking forward to welcoming you in Tallinn, Estonia.

With best regards,

Erkki Keldo  
Minister of Economy and Industry
