## **Provisional programme**

- |               |  |
|---------------|--|
| 10:45 – 11:00 | <i>Technical checks for speakers</i>   |
| 11:00 – 11:10 | <b>Opening</b>   |
|               | ➤ <b>Welcome and introductions</b>   |
| 11:10 – 11:25 | <b>Background and context</b>  |
|               | ➤ <b>Briefing on policy context and purpose of initiative</b>  |
|               | ▪ This presentation will introduce the strategic context for the global diabetes targets, alongside the WHO/Europe initiative and rationale. This will include a summary of current progress against the targets in WHO Europe, and current limitations. |
| 11:25 – 11:50 | <b>Measuring the global diabetes targets</b>   |
|               | ➤ <b>National perspectives</b> <i>Examples from countries</i>  |
|               | ▪ This presentation will provide country examples on how the five diabetes targets could be measured in specific national contexts, alongside strengths and limitations.   |
|               | Questions and answers  |
| 11:50 – 12:20 | <b>Towards a European picture of the diabetes targets</b>  |
|               | ➤ <b>Guided discussions</b>  |
|               | ▪ Guided discussions will provide an opportunity to discuss reflections on how to measure the targets in different country settings, and future involvement in the WHO/Europe initiative.  |
| 12:20 – 12:25 | <b>Summary of discussions</b>  |
| 12:25 – 12:30 | <b>Next steps and close of meeting</b>   |
