Dear NFPs and alternates for Tissues and Cells,

We are pleased to invite you to save the date for a hands-on training  
session in EpiPulse. Please note that this is not a formal invitation but  
only serves the purpose of saving the date. More information and links to  
the meeting will be shared closer to the event.

You only need to attend one hands-on training session. If you cannot  
attend the session for your network group, you may attend any of the  
other training sessions.  
Please refer to the information about the other dates sent in a separate  
email.

To help us plan the sessions, we will contact you closer to the meeting  
date to confirm your participation.

Please feel free to reach out to     if you have any questions.

Kind regards,  
The ECDC SoHO team
