Invitation Letter to visit Estonia

Dear Mr. Nasser Al Jashmi

I would like to extend my sincere wishes of good health and success to you and the people of the Sultanate of Oman. I am delighted to recognize that Estonia and Oman are both very open to innovation and broad technology application. I would be keen on strengthening our bilateral relations and cooperation to advance digitalization.

With that in mind, I would like to extend my invitation to you to visit Estonia to exchange the experience in the field of digital development and the new, post-digital concept of tax administration as well as meet with our public and private sector representatives who have been our close partners through the digital journey. I would be glad to facilitate the visit at the time of your convenience and hope to see You, Your Excellency, in Estonia soon during your visit to our region.

I am looking forward to welcoming you in Estonia.

Yours sincerely,

Merike Saks
Secretary General
