**National plan on access to affordable  
high-quality long-term care**

Dear Commissioner Schmit,

Hereby we submit the Estonian national plan in line with the Council Recommendation on access to affordable high-quality long-term care. Estonia acknowledges the importance of this Recommendation and is committed to fulfilling its obligations.

We appreciate our cooperation and look forward further discussions and cooperation with this topic.

Yours sincerely,

Signe Riisalo  
Minister of Social Protection
