Tere !

Vabandan eesti keele puudumise pärast.

Sia Latglavenergo has received regulations and permission from you to dismantle the Telia Eesti cable. This permission states Kitsenduste infoousteemi (KPOIS) loodskaitsega poodut kitsendused vid-KLO2000275. This code is 2022. 11.16. there was cadastral number 21303:005:0116, but at the moment this property is merged with another property and cadastral number 21401:001:0786 was created, but the previous one is saved in kitsendused vid - KLO2000275. Can Sia Latglavenergo carry out dismantling at the sites specified in permit No. 7-9/22/21895-2, subject to the restrictions established here.
