Annual contributory share for the year 2025 in accordance with Resolution 1417 adopted by the Council in July 2023

Dear Sir/Madam,

By Resolution 1417 adopted at its session in July 2023, the Council approved the biennial budget of the Union for the years 2024-2025 and set at 318,000.00 Swiss francs the amount of the annual contributory unit for the years 2024 and 2025. This amount takes into account the number of contributory units chosen by Member States, in accordance with Decision 5 (Rev. Dubai, 2018), and in conformity with the relevant provisions of Articles 28 of the Constitution and 33 of the Convention.

Your contribution to Union expenditure for the year 2025 is reflected in the attached invoice.

May I kindly remind you that the contributory share is payable in advance and, in order to ensure that the cash resources of the Union are adequate, I should be much obliged if you would make this payment, as soon as possible and preferably, before 31 December 2024.

Yours faithfully,

For the Secretary-General

Alassane BA
Chief, Financial Resources Management Department
