MDCS SOFTWARE EXTENSION AND MDPS SOFTWARE TRAINING

Referring to our exchange of e-mails, we offer an extension for your MDCS data acquisition software, and training in use of MDPS processing and interpretation software as follows:

Description	Price
1. **MDCS software extension: Ground sample database** (for a single MDCS license) Enables support for entering and storing ground sample data during field work. This feature adds MDPS G6 compatible Interpretation Attribute Database (IADB) management and ground sample entry to MDCS 5.2. The ground sample data will be logged in MDPS G6 compatible CSV file format. The IADB is kept in MDCS G6 proprietary binary file format and can be directly opened with MDPS G6. (MDPS 5.2 will not be able to use the acquired samples nor IADB.)	1 600,00 €
2. **MDPS training, 4 hours** Data processing and interpretation using the new version of MDPS software.	864,00 €
ITEMS 1-2 TOTAL	2 464,00 €

Prices   In Euro, EXW Lohja, exclusive of VAT.

Delivery   1-3 days after receipt of order.

Payment   30 days net.

This quotation is valid until 15.11.2024.

Kind regards,

Oy Meridata Finland Ltd
