of the Republic of Estonia**

**Ms. Signe Riisalo**

**Dear Ms. Signe Riisalo,**

Embassy of Ukraine in the Republic of Estonia has the honor to forward the Open Appeal from the Minister of Social Policy of Ukraine, Ms. Oksana Zholnovych, to the governments, diplomatic missions, and embassies of all countries worldwide (except the Russian Federation and the Republic of Belarus) regarding the provision of opportunities for recuperation and recreation for Ukrainian children due to the escalation of the military invasion by the Russian Federation in Ukraine, along with its unofficial translation.

We would kindly like to ask you to support the Open Appeal and consider the possibility of organizing recuperation and recreation for Ukrainian children in the Republic of Estonia.

Currently, Ukraine is fighting for its right to a future on the battlefield, and our children are also our future. We would like to sincerely ask you to support them during this difficult time for them and for their country.

If you have any further questions regarding the issues raised, do not hesitate to contact the First Secretary of the Embassy of Ukraine in the Republic of Estonia, Ms. Inna Bibik, by email at [inna.bibik@mfa.gov.ua](mailto:inna.bibik@mfa.gov.ua).
