Dear H.E. Erkki Keldo,

Allow me to extend my warm greetings as the Minister of Economy and Energy of Hungary.

I look forward to working closely with you in the period ahead, both bilaterally and within the framework of the European Union, in the spirit of mutual partnership and trust. I believe that strong cooperation between our countries on matters of common interest, including our shared policy priorities, will be essential to achieving fruitful results.

I would welcome the opportunity to discuss important issues with you. Should you be open to such a meeting, my cabinet would be pleased to coordinate with your office regarding a suitable time and format.

Yours sincerely,

**István Kapitány**  
Minister of Economy and Energy  
Hungary
