## Addendum No1

### **to the Grant Contract for the implementation of the Project ER264 „Oru park as an exhibition space – rising awareness on environmental protection and green energy” (ORUEXPO)**

BETWEEN

State Shared Service Centre acting as the Managing Authority of the Estonian EU external border programme 2014-2020 with its Office at Lõkke 4, 10122 Tallinn, Estonia, represented by Ms EGE ELLO, Head of the Managing Authority

AND

State Forest Management Centre with its registered address Mõisa 3, Sagadi Village, Haljala Municipality, Lääne-Viru County, Estonia represented by its authorized representative Mr KRISTJAN TÖNISSON, Member of the Management Board, Nature Use

based on the request for changes to the project “Oru park as an exhibition space – rising awareness on environmental protection and green energy” approved by the Managing Authority on 06.12.2023.

mutually agree upon the following amendments to Grant Contract for the implementation of the project “Oru park as an exhibition space – rising awareness on environmental protection and green energy”.

Notwithstanding these amendments, each and every term in the original contract remains in effect, except as expressly noted below.

Article 6 of the Grant Contract is amended, **regarding major change** as stipulated in the Project Implementation Guidelines Article 5.10, in the following points:

- Budgetary changes of the Lead Beneficiary:
  - 1) decreased the Budget Heading (BH) “External expertise and services”
    - decreased BL “Information points project manager” (WP I2)
    - increased the BL “Communication and visibility actions” (WP C)
  - 2) increased the BH “Investment”
    - increased the Budget Line (BL) “Study routs visitors infrastructure” (WP I2)
    - decreased BL “Owner supervision” (WP T1)

Amendments to the full Project application are made according to the request for changes submitted by the Lead Beneficiary on 05.12.2023 and specified under point ‘Reason and justification’ of the request for changes No1.

The amendments are presented in the description of Project application included to this Addendum as an Annex.
