Dear Ms Sõber,

Annual update on poliomyelitis eradication activities for 2025

The European Regional Commission for the Certification of Poliomyelitis Eradication (RCC) will hold its next annual meeting in September 2026 to review the current status of poliomyelitis eradication in the WHO European Region. Therefore, each Member State is requested to submit an annual update on polio eradication activities for the year 2025.

The online submission of the annual progress report and the registration of new users will be possible starting from 9 March 2026 at the following address: <https://eapr.euro.who.int>. The completed report is to be submitted online by 31 May 2026 to ensure sufficient time for data analysis by the RCC Secretariat before the analysis and data are presented to the RCC.

Should you have any questions or experience any issues with the online submission, or should any further clarification be required, please do not hesitate to contact the RCC Secretariat (eurcc@who.int) in the Vaccine-preventable Diseases and Immunization unit of the WHO Regional Office for Europe.

Your efforts in sustaining polio-free status in the Region are much appreciated.

Sincerely yours,

Dr Ihor Perehinets
Health Security and Regional Emergency Director
