#### Paris Peace Forum 2025 | Official Invitation

Excellency, dear Minister Pakosta,

It is my pleasure to invite you to the eighth edition of the Paris Peace Forum, which will take place at the Palais de Chaillot on October 29 and 30.

The 2025 edition will focus on the need to build “**New coalitions for peace, people and the planet**” and will be an opportunity to reaffirm the Forum's role as a key place for dialogue and cooperation to address the most pressing issues of global governance and to meet the geopolitical, climatic and technological challenges we face.

The Forum will pay particular attention to the formation of new coalitions in a rapidly shifting world. In this context, it will seek to strengthen North-South and East-West cooperation, while responding to the challenges posed by the weakening of international institutions and the need for a more inclusive and appropriate multilateral order. At the same time, we will honour the tenth anniversary of the Paris Agreement and assess the progress made since COP21, while trying to prepare the next steps towards COP30.

We very much hope that you will be able to participate in this event of ever-increasing international relevance and play a substantial role in the discussions. The Secretariat of the Paris Peace Forum will be at the disposal of the Embassy of the Republic of Estonia in Paris to provide you with any additional information or assistance preparing your participation in the official program of the event.

In the hope of a positive response, please accept, Minister Pakosta, the assurance of my highest consideration.

Angel GURRIA  
President
