Sejong International Judicial Conference

Advancing the Rule of Law &
Enhancing Access to Justice

ABOUT THE CONFERENCE

The Supreme Court of Korea is hosting the Sejong International Conference to honor the leadership and significant achievements of King Sejong the Great in the field of law. Renowned for creating the Korean alphabet, Hangeul, in 1443, King Sejong implemented comprehensive reforms to the legal system during his 32-year reign, enhancing access to justice and strengthening the rule of law. The conference will bring together chief justices, judges, and legal scholars to draw inspiration from King Sejong's vision and explore innovative ways to improve the rule of law and access to the justice.
