Nimetus:

Tubular shoelaces oma kujundusega ja etikettiga

Kirjeldus:

Two-sided print using the sublimation printing method, Material: polyester, Dimensions: width ~9 mm, length 130 cm, The shoelaces are finished with a transparent plastic cap/aglet, Oeko -Tex Standard 100 certificate. Tubular laces with a print are a practical clothing gadget for women, men and children. This flexible product will work well with trainers, sweatshirts and sweatpants (as cords) and other articles of clothing. The suitable contoured shape, double walls and thick weave of tubular shoelaces prevents them from untying themselves. Made of polyester, the product is highly durable and resistant to abrasion. If the material gets slightly dirty, simply wash them in the washing machine.
