Dear CEP member.

On behalf of the French Penitentiary Administration of the Ministry of Justice we would like to kindly ask your cooperation in answering the questions in the survey regarding the comparative evaluation of public policy alternatives to detention, focusing on Community Service Orders, unpaid work and electronic monitoring. The research aims to understand the implementation and effectiveness of these alternatives across different European penal systems.

Please come back to us by 31 March 2024 at the latest.

Thank you very much for considering our request and for your cooperation.

With best wishes,

Mirka
