Ministries responsible for Economy Affairs  
of the EU Member States

03/02/2026 No **3-378**

Dear Sir or Madam,

It is my honour to invite you to attend the high-level event "*Bringing Industrial Decarbonization into Action – From Challenges to Opportunities*", to take place on 25 February 2026 in Brussels at the Permanent Representation of Lithuania to the European Union.

This event aims to present and critically discuss the key findings of the feasibility study on *Industry Decarbonisation: the Lithuania case*, while fostering a high-level European dialogue on the policy, investment and cooperation measures required to accelerate industrial decarbonisation. Particular attention will be given to actions supported by the *EU Industrial Accelerator Act*, which are essential for building competitive, net-zero industrial value chains across Europe.

The event will include a high-level panel discussion entitled "*How is the EU Industrial Accelerator Act changing the game?*".

We would be pleased to welcome representatives of all EU Member States to participate in the event.

Details of the event:

- 1. Date:** 25 February 2026
- 2. Time:** 16:00–18:20
- 3. Venue:** Permanent Representation of Lithuania to the European Union, 41–43 rue Belliard, 1040 Brussels, Belgium

We would be delighted to welcome you to Brussels for this timely and forward-looking discussion.

Minister

Edvinas Grikšas
