Dear General Beretin,

Dear Blaž!

Thank you for your kind invitation to the annual Finabel Land Force Commanders' Meeting in Zagreb from 07 until 09 April 2025. Thank you also for planning a spouses' program. Unfortunately, due to formerly agreed commitments Rita and I will not be able to accept your generous invitation.

Thank you again for arranging this important event. I wish it every success.

Yours sincerely,

Indrek Sirel
