Agenda, first draft v1.0
Date: 28-04-2025

Noise Sub-group at N-ALM/72 (Nordisk Arbejdsgruppe om Luftfartens Miljøforhold)

Preliminary Agenda, first draft v1.0

Date and time	11 th June 2025 from 13 to 17, and 12 th June from 9 to 12 o'clock (Local time)
Place	Hybrid meeting (in-person and virtual): Danish Civil Aviation and Transport Authority, Trafikstyrelsen, Carsten Niebuhrs Gade 43, 1877 Copenhagen V, Denmark. Room MC01 - close to the main reception.
Participants	N-ALM Noise sub-group members, Denmark chair and secretary: Annemette Carline Søgård and Sofia Ek, Danish Civil Aviation and Railway Authority

Agenda

Day 1 - 11th of June

OPENING OF THE MEETING

- 1.1 Tour de table of participants and possible updates to the list of members

2. ADMINISTRATION

- 2.1 Adoption of the agenda for the N-ALM/72 sub-group noise meeting
- 2.2 Approving of the minutes from the noise sub-group meeting N-ALM/70-71

3. ROUND TABLE ON LATEST NEWS ON NOISE

- 3.1 CAAs and Ministries
- 3.2 Airport Service Providers (ASPs)
- 3.3 Reports from other organisations, AVINOR, Lfv, Air Carriers etc.

4. BALANCED APPROACH (BAR)- NOISE OBJECTIVES

- 4.1 **CAAs** are asked to give a brief status on operators submitted to the database, changes of conditions for specific airports, noise contour calculation methods and others
- 4.2 **ASPs** perspectives on database utilization, using data for noise contour calculation etc.
- 4.2 **Other organisations and ATS' s**, ANC database experiences, uploading data etc.

5. WORK IN PROGRESS further PLAN for NOISE REDUCTION – and goals reached in 2024/2025

- 5.1 **ASPs** are invited to briefly present initiatives in the field of noise management, identified noise challenges, publication of information, noise levels of new aircraft, peaks etc.
- 5.2 **Ministries, CAAs, and EPAs** are invited to briefly present cases on identified noise challenges and mitigation at specific airports, regulation, and mapping activities.
- 5.3 **Other Organisations – Air Traffic Services (ATS), air carriers, etc.** are invited to provide input on regulatory provisions and additional initiatives for noise mitigation.

6. STATUS ON COMPLAINTS – and observed non-acoustic annoyance

- 6.1 **ASPs** are asked to give a brief status on development of noise complaints.
- 6.2 **Ministries, CAAs and (EPAs)** are asked to give a brief status on noise complaint.
- 6.3 **Other organisations Air Traffic Services (ATSs), air carriers etc.** Stakeholders are invited to briefly share experiences with noise abatement procedures, including the handling of any deviations, and suggestions for further actions.

End of day 1

Day 2 - 12th of June

7. PRESENTATIONS BY MEMBERS (approximately 15 to 20 minutes per presentation)

- a.
- b.
- c.
- d.
- e. The Danish Drone strategy: "Drones and the surrounding society"
by Mai Solmer Poulsen, Team Drones, Danish CAA

8. THEME: Drones – noise and the surrounding society

- 8.1 **CAAs** are asked to give a status update on national strategies and noise initiatives for drones, etc.
- 8.2 **ASPs** are asked to provide a perspective on drones in the surroundings, including specific incidents involving drones close to airports.
- 8.3 **Others** are invited to share perspectives on societal concerns and expectations regarding drone noise and its management.

9. CALL FOR PROPOSALS – [before 19th of May 2024](#)

10. INTERNATIONAL DEVELOPMENTS

- 10.1 ACI Europe Noise TF
- 10.2 News from members, CAEP WG1 (technical issues), WG2 (operations) – CAEP/13 in February 2025
- 10.3 Others, EASA and EPA Network interest Group on Noise Abatement (IGNA)
- 10.4 Dutch Civil Aviation Authority, webinar - European noise network – 9th of May 2025

11. CLOSING OF THE MEETING

Distribution N-ALM Noise sub-group members

Name	Organisation	e-mail	Country
CAA			
Hilde Høiem-Storås	Civil Aviation Authority, Luftfartstilsynet (CAA)	Hilde.Hoiem@caa.no	Norway
