This letter is to confirm that Ministry of Culture of the Republic of Estonia is aware of and fully supports the application of the Team DiscGolf Estonia MTÜ to bid for the PDGA Professional Disc Golf World Championships event in 2026/2027 season.

Disc golf has firmly established itself in Estonia – the number of enthusiasts has been growing rapidly, we have world-class players to cheer for, and in recent years, we have been entrusted with organizing increasingly larger competitions. Hosting the World Championships would be a great honor for Estonia.

Ministry of Culture of the Republic of Estonia is ready to co-operate with the event organisers should the bid successful, in order to guarantee the best possible organisation of the event.

Yours sincerely,

Kristiina Alliksaar
Secretary General of the Ministry of Culture
