Dear Ms. Purga,

I am writing to you to inform that the Central Bank of the Republic of Armenia, within the framework of the Commemorative coins release program for 2026-2027, plans to issue a collection of commemorative coins under the "Historical Gates" thematic heading. The aim of the release is to present and appraise the universal historical and cultural values that exist in Armenia and all over the world.

Within this context, as well as with the aim to consolidate the bilateral relations between Armenia and Lithuania anchored on these very values, I would highly appreciate it if you could kindly consider the possibility of providing the Embassy with the relevant information and high-resolution photos of famous medieval doors/gates in Lithuania, with permission to use them towards that aim.

I thank you in anticipation of hearing from you soon.

Sincerely,

Ara Margarian
Ambassador Extraordinary and Plenipotentiary
