University "Goce Delchev" - Shtip
MILITARY ACADEMY
„General Mihailo Apostolski" - Skopje
-associate member-

Skopje, 12.11.2026

Dear Dean,

At a time of complex and evolving security and defence challenges, cooperation among military educational institutions and sustained investment in the next generation of military leaders are more important than ever. By creating opportunities for shared learning and intercultural exchange, we strengthen the mutual understanding, trust and professional relationships essential to addressing common challenges.

In this spirit, on behalf of the Military Academy "General Mihailo Apostolski" – Skopje, I have the honour to invite your Academy to nominate a delegation of up to four cadets and one officer or non-commissioned officer to participate in Summer Campus 2027. The event, held under the theme ***"Building Knowledge for a Secure Future"***, will take place from 6 to 14 June 2027 at the Training Centre "Pepelishte" and the Army Training Area "Krivolak" in the Republic of North Macedonia.

Summer Campus 2027 will bring together cadets from partner military academies to exchange knowledge and experiences in a multinational and multicultural environment. The programme combines academic lectures, practical and team-building activities, national presentations and cultural visits to Skopje and Ohrid, fostering cooperation and lasting ties among participants.

As part of the programme, participating delegations will also attend the MILCON'27 International Scientific Conference (https://ma.edu.mk/en/node/2121) in Skopje, offering an opportunity to engage with the academic and defence community and exchange perspectives on contemporary security challenges. I would be grateful if you encourage your Academy's cadets and professors to prepare original manuscripts and present their work at the conference.

The enclosed brochure provides an overview of the Summer Campus programme and planned activities. We kindly request that your Academy confirm its participation by an official email and ensure that the nominated participants complete the online registration form by **30 April 2027**, available at: https://forms.gle/atYf9BqsvizeFd3A7.

I would also like to stress that a separate invitation to Summer Campus 2027 will be extended by the Minister of Defence of the Republic of North Macedonia to your Minister of Defence through diplomatic channels.

I look forward to hosting your Academy's delegation and to further strengthening the cooperation between our institutions.

Yours sincerely,

COL Prof. Dr. Sc. Nenad Taneski
Dean
Military Academy "General Mihailo Apostolski" – Skopje
