

Invitation stakeholders' meeting for report on the recognition of professional qualifications

Fields marked with * are mandatory.

Dear competent authority,

The ECA has done an audit on the recognition of professional qualifications. We will publish our report on 1 July 2024 at 5pm. It will be then available on our [website](#).

We would like to present and discuss this report with you during a stakeholders' meeting. It will be an online Microsoft Teams meeting **from 10 a.m. to 11 a.m. (CEST) on Wednesday 3 July 2024**, and will be in English only.

We will start by giving a short presentation about the report and then you will have the opportunity to ask any questions you might have about our audit work on this topic.

The meeting will be hosted by the reporting Member for the report, Mr Stef Blok, who is the Dutch Member of the European Court of Auditors.

Please confirm whether you would like to attend the online meeting by filling in and submitting this form **by 19 June 2024**.

The meeting will not be recorded. Should you have any technical questions about attending the meeting, please send an email (in either English, French and German) to eca-rpq@eca.europa.eu.

Best regards,

Laurence Szwajkajzer
Head of Task
