Invitation to Visit Estonia

Your Excellency,

I extend my sincere wishes of good health and success to you and the people of the Sultanate of Oman. Furthermore, I am delighted to acknowledge that Estonia and Oman are both very open to innovation and broad technology application. I would be keen on strengthening our bilateral relations and cooperation to advance digitalisation.

With that in mind, I would like to extend my invitation for you to visit Estonia to exchange views in the field of digital transformation and innovation as well as meet with our public and private sector representatives who have been our close partners throughout our digital journey.

Your Excellency, I would be glad to facilitate the visit at the time of your convenience and hope to see you soon in Estonia.

I am looking forward to welcoming you in Estonia.

With best regards
