MINISTRY OF FINANCE  
SUUR-AMERIKA 1, TALLINN 10122  
ESTONIA**

Dear Sir,

**REQUEST FOR A DATE FOR A STUDY VISIT TO MINISTRY OF FINANCE AND  
STATE-OWNED ENTERPRISES IN ESTONIA**

We present our compliments to the Ministry of Finance, Estonia.

I write on behalf of Honorable Joseph Cudjoe, the Minister for Public Enterprises of Ghana to request for a date for a study visit to Estonia. The purpose of this visit is to gain insights into the governance structure and initiatives implemented by your Ministry, particularly in the field of e-governance, to manage State-Owned Enterprises (SOEs) effectively.

Ghana is currently undergoing significant reforms in the management of its SOEs. We are keen to learn from the experiences and best practices of Estonia, a global leader in e-governance and innovative governance structures.

During the visit we hope to engage with relevant stakeholders, government officials and experts to understand the key principles and strategies underpinning Estonia's successful e-governance initiatives. Additionally, we aim to explore potential areas of collaboration and knowledge exchange between our two countries in the field of public enterprises management.

We believe that this study visit will greatly benefit our efforts to enhance the governance and performance of SOEs in Ghana, ultimately contributing to our country's economic development and prosperity.

Therefore, I kindly request your assistance in scheduling a suitable date in June
