Letter of Institutional Support

Dear Members of the Fulbright Selection Committee

On behalf of Estonian Military Academy, I am pleased to confirm our institutional support for Kairi Talves, who is currently enrolled as a Visiting Fellow at the Department of Military Science in Estonian Military Academy.
We are aware of her application for the Fulbright Visiting Scholar Program award and fully support her proposed participation in the program during the period of September 2027 to January 2028.

We confirm that Kairi Talves will be granted the necessary leave from her regular institutional responsibilities to participate in the Fulbright program for the proposed period. The institution acknowledges the professional and academic value of this opportunity and recognizes its potential to strengthen her academic development, research activities, and international collaboration.

We strongly support Kairi Talves's participation in the Fulbright program and are confident that this experience will contribute positively both to her professional academic development and to our institution.

Please do not hesitate to contact us should you require any additional information.
