Honourable Chief Justice!

The Constitutional Court of the Republic of Latvia has the honour of inviting you to an international conference “The Role of Constitutional Courts in Ensuring the Resilience of Common European Values in Face of Contemporary Challenges” to be held on 24–25 April 2025 in Riga, Latvia.

The conference will be organised within framework of the project “Support to development of the constitutional justice in Ukraine”, implemented within the European Union and Council of Europe Joint Programme “Partnership for Good Governance”.

The conference will consist of two panel discussions. The first will address the challenges facing democracy, the rule of law, and pluralism, while the second will focus on human dignity, freedoms, and the respect for human rights.

We very much hope to see you at the Conference in Riga and would be most grateful if your attendance could be confirmed no later than 24 January 2025 by registering: <https://forms.gle/LFDUSkxR8JKwbhKV8>.
