Dear Colleague,

I would like to offer my warm congratulations on your appointment as Minister of Economy and Industry of Estonia.

Let me take this opportunity to highlight the objectives and efforts that we share: building a fair and inclusive Europe with high-quality jobs, fair working conditions, high labour standards, and equal opportunities for all.

The role of the EPSCO Council within the framework of the EU is consequently an essential one and I am looking forward to meeting you in person at the next European-level exchange.

I wish you all the best for your new function.

Sincerely,

Korinna Schumann
Federal Minister
