2. Has the tenderer filled in the worksheet regarding the value of the tender in the public procurement register according to the required terms and conditions and the structure "Evaluation criteria and indicators to be evaluated"? (Raadionupp valikutega "Jah/Ei")
3. The tenderer confirms that the tender complies with the requirements of the public procurement documents and, if necessary, the equivalence has been verified and proof of equivalence has been attached. Any reference made by the Contracting authority in the procurement documents to any of the grounds specified in subsection 88 (2) of the Public Procurement Act (standards, technical approvals, technical control system, etc.) as a criterion for compliance with the technical specifications shall be regarded as "or equivalent". Any reference that the Contracting authority makes in the procurement documents to the source of purchase, process, trademark, patent, type, origin or manner of production shall be regarded as "or equivalent" (subsection 88 (6) of the Public Procurement Act). (Raadionupp valikutega "Jah/Ei")
4. The period of validity of tenders is 90 days. Does the tenderer confirm that the tender is valid for 90 days? (Raadionupp valikutega "Jah/Ei")
5. Data to be provided for the conclusion of a contract if the tender is declared successful. The tenderer shall provide the following data: 1. Name of the signatory of the contract 2. grounds for signing the contract (member of the management board, power of attorney, etc.) 3. title of the signatory of the contract 4. contact person of the tenderer upon performance of the contract (name, title, telephone number and e-mail address). (Suur sisestusala (max pikkus 4000 tähemärki))
6. The tenderer shall indicate in the tender which information is deemed as the tenderer's trade secret and justify the designation of the information as a trade secret. Briefly describe the trade secret contained in the tender and state the reasons for its establishment, or state that the tender does not contain a trade secret. (Suur sisestusala (max pikkus 4000 tähemärki))

SANCTION-RELATED REPRESENTATIONS AND WARRANTIES

On 8 April 2022, the Council of the European Union adopted the Regulation 2022/576 amending the Regulation (EU) No. 833/2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine.

The sanction of the Council of the European Union prohibits the award and performance of public contracts with citizens, residents or economic operators established in the Russian Federation, including self-employed persons, legal persons, authorities or other entities.

We ask the tenderer to submit the confirmations below in connection with the sanctions imposed by the Council of the European Union.

Küsimused ettevõtjale:

1. The tenderer confirms that the procurement goods are not subject of international sanctions and do not originate from the areas under sanctions within the meaning of subsection 7 (1) of the International Sanctions Act. (Raadionupp valikutega "Jah/Ei")
2. The tenderer confirms that more than 50% of its right of ownership does not belong directly or indirectly to any citizens of the Russian Federation, residents of the Russian Federation nor economic operators, institutions or other entities established in the Russian Federation. The Contracting authority has the right to request data on the direct and indirect owners and beneficial owners of the tenderer, including copies of the ID documents of natural persons, from which the citizenship of the person may be evinced and the certificate or extract of the Business Register of the country where the person is established or other competent authority concerning the legal persons. (Raadionupp valikutega "Jah/Ei")
3. The tenderer confirms that it is not a representative of any citizen of the Russian Federation, a resident of the Russian Federation or any economic operator, authority or other entity established in the Russian Federation, including a direct or indirect representative of more than 50% of a citizen of the Russian Federation, a resident of the Russian Federation, or an economic operator, authority or other entity owned by an economic operator established in the Russian Federation, and does not act on its instructions. (Raadionupp valikutega "Jah/Ei")
4. The tenderer confirms that it does not involve subcontractors and suppliers upon the performance of the public contract more than 10% of the value of the public contract and does not rely upon the performance of the award criteria on the economic operators that are: 1. Citizens of the Russian Federation, residents of the Russian Federation or economic operators established in the Russian Federation, including self-employed persons, legal persons, institutions or other entities; 2. more than 50% directly or indirectly owned by the person, institution or other entity referred to in clause 1; 3. representatives of the person, institution or other entity specified in clause 1 or 2, or acting on the instructions of such persons. (Raadionupp valikutega "Jah/Ei")
5. The tenderer confirms that by concluding the contract with it, the International Sanctions Act is not breached, i.e. the tenderer is not subject to any sanctions. (Raadionupp valikutega "Jah/Ei")

PROOF OF EXISTENCE OF EXCLUSIVE RIGHTS

The tenderer shall submit a confirmation proving that the tenderer has the exclusive right to rent the licences subject to the contract and to provide product support. If it is not possible to provide a digital signature, the confirmation shall be signed on paper and submitted as a scanned document.
