Visit of the Saudi Business Delegation

Subject: Support for the Visit of the Saudi Business Delegation to Estonia

To Whom It May Concern,

I am writing regarding the visit of a business delegation from the Kingdom of Saudi Arabia to Estonia from **16 to 18 September 2026**. The delegation is being organised by the **Saudi-Estonia Business Council**, in cooperation with the **Federation of Saudi Chambers** and **Enterprise Estonia (EIS)**, with the objective of strengthening economic cooperation and business relations between our two countries.

Estonia highly values the continued development of its relations with the Kingdom of Saudi Arabia. This visit will bring together representatives of the public and private sectors to explore opportunities for trade, investment and long-term cooperation. We welcome this initiative and recognise its importance in further strengthening bilateral economic ties.

In this regard, we would be grateful for your kind assistance in facilitating the processing of the visa applications of the delegation members travelling to Estonia for this official business visit.

Should any further information or clarification regarding the visit be required, please do not hesitate to contact:
