Welcome

Dear Partner of EIT RawMaterials,

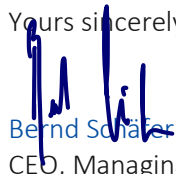

On behalf of the Executive Board and the Management of the EIT RawMaterials we would like to welcome you to the EIT RawMaterials Knowledge and Innovation community!

EIT RawMaterials, initiated and co-funded by the EIT (European Institute of Innovation and Technology), a body of the European Union, is the largest and strongest consortium in the raw materials sector worldwide.

We are pleased to welcome you as a new Project partner of our organisation. Together with our partners, we look forward to making an impact on European raw materials sector by driving and fostering innovation, empowering students, entrepreneurs and start-ups, introducing innovative and sustainable products, processes and services, as well as supporting new businesses that will deliver increased economic, environmental and social sustainability to European society.

For more information: Strategy, legal and all other relevant documents please visit EIT RawMaterials InfoCenter: infocenter.eitrawmaterials.eu and click 'Apply for access'.

Yours sincerely,

Bernd Schäfer
CEO, Managing Director
