

ECDC online workshop: “Introduction to evidence-based public health (EBPH)”

2nd 2024 edition

(10 – 11 June 2024)

Course outline

We ask all participants to tune in a few minutes beforehand.

The online workshop includes a mix of lectures and real-life examples and encourages active participation in plenary and break-out room discussions. Participants are requested to ensure availability of a camera and microphone during the lectures and group discussions.

DAY 1 | 10 June 2024

13:00 - 13:15	Introduction round and presentation of the program and learning objectives
13:15 – 14:00	Evidence-based public health (EBPH) at a glance
