Dear Mr Miilits,

I would like to present my compliments to the Ministry of the Interior of the Republic of Estonia and express my deep appreciation to you personally.

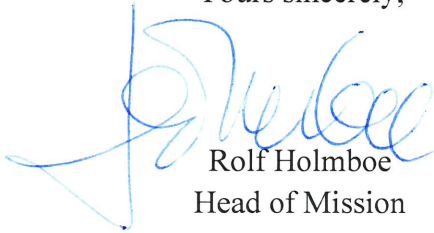

On behalf of the European Union Advisory Mission for Civilian Security Sector Reform Ukraine (EUAM Ukraine), I would like to take this opportunity to express my sincere gratitude for support in organising strategic sessions for representatives of the Ministry of Internal Affairs of Ukraine, the National Police of Ukraine, the State Border Guard Service of Ukraine, the Office of the Prosecutor General of Ukraine, the Office of the Deputy Prime Minister for European and Euro-Atlantic Integration, as well as sharing experience in applying European best practices for coordinating implementation of strategic reforms and using risk-based management to plan objectives on the law enforcement sector.

Our Ukrainian partners emphasise a great value of the information received and are grateful for the opportunity to engage with experts from Ministry of the Interior of the Republic of Estonia, Estonian Government Office, Estonian Police and Border Guard Board, as well as Ministry of the Interior Information Technology and Development Center.

The gained expertise could become a contribution to development and transformation of the Ukrainian institutions whose representatives participated in the study visit on 11-13 May 2026, Tallinn.

I would like to take this opportunity to express my hope for our continued cooperation.

Yours sincerely,

Rolf Holmboe  
Head of Mission
