Dear Miss KLAOS,

Please find attached an official invitation letter from the Fédération Nationale des Sapeurs-Pompier de France (FNSPF) to attend the upcoming National Congress and Firefighters' Exhibition, which will be held from October 8 to 10, 2025, in Le Mans, France.

This annual gathering is the largest event dedicated to civil protection and firefighting in France. It brings together thousands of firefighters, public authorities, international partners, and industry stakeholders to exchange, collaborate, and shape the future of civil security.

To facilitate the participation of international guests, we are pleased to enclose the congress program in English as well.

Should you require any further information or assistance in preparing your visit, please do not hesitate to contact us.

We would be honored by your presence at this key event in the life of the French firefighting and civil protection community.

Yours sincerely,

Hugo BASSET
