Dear Mr Lee,

Thank you for your kind letter marking the conclusion of your tenure as the Representative of the Taipei Mission in the Republic of Latvia.

We have greatly appreciated the courtesy, professionalism and dedication with which you have carried out your responsibilities. I read with interest your reflections on your time in Estonia, and in these challenging times, the values of resilience and determination take on particular significance.

On behalf of the Estonian Rescue Services Agency, I extend our warmest wishes for success and fulfilment in your future endeavours. We also thank you for introducing your successor, Ambassador Winston W. Y. Chen, to whom we extend a courteous welcome and every success in their new role.

With regard to the forthcoming celebration of the 114th Anniversary of the National Day of the Republic of China (Taiwan), I regret that I will be unable to attend. However, our Head of International Cooperation, Ketlin Tammsalu, will be present to represent the Estonian Rescue Services Agency.

Yours faithfully,

Margo Klaos
