20.01.2026 no 9-7/26/13

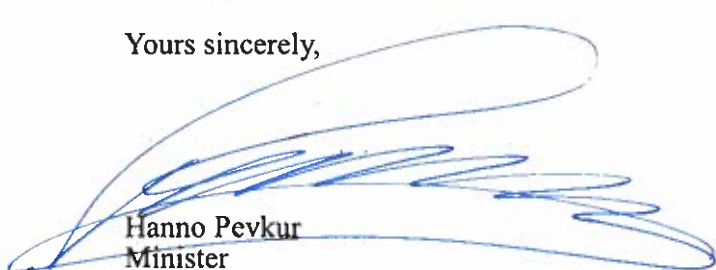

Dear Margarita

I wish to convey my condolences to the Kingdom of Spain, to You, and most of all, to the families and loved ones of those who lost their lives in Sunday's accident.

At this time of profound sorrow, I extend my deepest sympathy to all those affected by this loss, as well as to the members of the emergency services who responded with professionalism, dedication, and courage.

Such moments of tragedy resonate far beyond national borders, and we stand in solidarity with the people of Spain as they mourn.

Yours sincerely,

Hanno Pevkur
Minister
