**The Interreg VI-A Estonia-Latvia, CCI
2021TC16RFCB043 technical assistance
contribution for 2026**

Dear Mr Cakuls,

We are writing to kindly ask you to make the necessary arrangements for payment of Latvia's 2026 technical assistance contribution. In accordance with the Agreement relating to the Interreg VI-A Estonia–Latvia 2021–2027 Programme (CCI No 2021TC16RFCB043), Latvia's technical assistance contribution for 2026 amounts to **€94,432.34**.

As agreed between the Managing Authority and the Ministry of Smart Administration and Regional Development of the Republic of Latvia, the surplus of the technical assistance contribution from the 2014–2020 programming period will be offset against the technical assistance payment due for 2026 under the 2021–2027 programming period.

The technical Assistance of the Estonia - Latvia Programme 2014 – 2020:

	Financing rate (%)	Approved TA budget (€)	Real cost of TA (€)	Surplus (€)
European Commission	65.63	2,661,447.00	2,370,006.89	
Estonian co-financing	14.41	584,413.00	520,368.72	
Latvian co-financing	19.96	809,370.00	720,788.32	88,581.68
Total	100	4,055,230.00	3,611,163.93	88,581.68

Consequently, after deducting the surplus of **€88,581.68**, the amount payable by Latvia in 2026 is **€5,850.66**.

We would be grateful if you could make the necessary arrangements for the payment.
The total amount due is **€5,850.66**.

Our banking details are indicated on the attached invoice. Please remember to include the reference number **2800047135** in the payment details.

Thank you for your cooperation.

Yours sincerely,

(signed digitally)
