

VERITAS™

LICENSE ASSIGNMENT REQUEST (LAR) FORM

Instructions to Requesting Party

1. Please complete and sign this form to request the assignment of Veritas Product licenses to the new End User. Certain sections of this request form may not be applicable to you depending on the Veritas Products you are requesting to be assigned. **Please complete only the sections that are applicable to your request.** If additional space is needed, please provide the required information on a separate paper referencing this License Assignment Request Form ("LAR") and attach it.
2. This License Assignment Request form is only intended to assign your licenses with Veritas and supplementary end user license agreement or shrinkwrap. Request to assign the license agreement with Veritas should be sent by the customer on the company's letterhead to Veritas addressed to the Director of Contracts. They will be reviewed and processed in accordance with the customer's existing agreement with Veritas and Veritas' License Assignment Policy.
3. Once you have completed this request form, please submit your request at <https://my.veritas.com>.
4. Upon receipt of the completed and signed request form, Veritas will review your request and contact you if additional information is needed.

Please Note: Failure in providing current, accurate, and complete information may result in a delay in processing of the LAR.

Section III: General Information

1. *Please indicate or state the reason for the assignment request:
 - ☐ Merger or Acquisition (your company has combined with, acquired another company, or is acquired by another company). Please include a public announcement, such as a press release, or a letter on your company letterhead describing the merger and acquisition.
 - ☐ Legal Name Change not associated with Merger or Acquisition.
 - ☐ Divestiture of a Business Unit (sale or other disposition of one or more of your business unit) – Note: A divestiture is **not** the same as a Partial Asset / Liquidation Sale.
 - ☐ Bankruptcy Related Sale (Note: All assignment requests due to bankruptcy are subject to review and approval by Veritas U.S. Legal Department.)
 - ☒ Other (please explain in detail in the space provided):
 On 01.12.2021 Estonian Minister of Entrepreneurship and Information Technology established Estonian Information and Communication Technology Centre to provide central ICT services (computer workstation, server infrastructure and related additional services) to public institutions. ICT services of the Ministry of Justice's administrative area, including assets, contracts and employees moved from Centre of Registers and Information Systems (Registrite ja Infosüsteemide Keskus) to Estonian Information and Communication Technology Centre on 01.05.2022.
 Ministerial decree available: <https://adr.rik.eelmkmlidokument/12239750>; press release: <https://news.err.ee/1608403592/estonia-to-create-newstate-digital-hub>.
2. *Insert the date the assignment is to be effective ("Effective Date"): (This should reflect the date when you require the assignment to become effective. Unless you specify a date, the Effective Date will default to the date Veritas completes the processing of your request.) July 1st, 2024

1. *Please choose from the options below the type(s) of assignment(s) being requested and insert the corresponding Certificate Number(s) and/or Serial Certificate Number(s). Only current maintenance / technical support services ("Maintenance/Support") may be assigned with the corresponding Veritas Product(s).

2. ***Please list below the Veritas Product(s) to be assigned. Any current Maintenance/Support will be assigned with the license. Please note that Maintenance/Support cannot be assigned alone nor can expired Maintenance/Support be assigned.**

Acknowledgement By Initial User

I. By your signature below, you agree that you will assign the Veritas Product(s) and any applicable current Maintenance/Support identified in Section IV 2 to the new user, on a one time, not-for-profit permanent basis, as of the Effective Date. Additionally, by signing below, you certify that as of the Effective Date of the assignment, you will destroy and/or delete all copies of the Veritas Product(s) or, if applicable, portions thereof then in your possession, including but not limited to any electronic copies stored in memory or on any storage device or medium and any back-up, archival or disaster recovery copies of the Veritas Product(s) and documentation. At Veritas's reasonable request, an authorized representative of your company shall certify in writing to Veritas and provide evidence to support that all copies of the assigned Veritas Product(s) or, if applicable, portion thereof in your possession have been destroyed or deleted.

II. Upon receipt of this signed request form, Veritas will adjust its records to reflect that you no longer hold the number of the Veritas Product(s) requested for assignment herein. Initial User and New User may then refer to the Veritas Licensing Portal at <https://my.veritas.com> to verify licenses for the Veritas Product(s). Veritas can issue a replacement Certificate(s) to you reflecting the Maintenance/Support for the Veritas Product(s) upon request.

III. All use of the Veritas Product(s) will be under applicable license terms and conditions and/or Veritas's license and warranty agreement that accompany the standard retail version of the Software Product(s) (also known as the end user license agreement or the "EULA"). Veritas reserves the right to revoke its consent at any time without any requirement of notice, should it be determined by Veritas that the information provided by you in the License Assignment Request form is either false or incorrect. Please note that any unauthorized use of Veritas Product licenses is unlawful and Veritas reserves all of its legal rights and remedies..

By signing and submitting this License Assignment Request form, you certify that (i) the information provided above is current, accurate and complete; (ii) you are the initial license holder of the Veritas Product(s) being requested for assignment, (iii) you have authority to sign this License Assignment Request form on behalf of yourself, if you are an individual, your organization or company; and (iv) you acknowledge and agree to all the terms and conditions stated above for the assignment of the licenses listed herein.
