Meeting in Riyadh

Your Excellency,

I wanted to express my admiration for the development of prosperous relations between the Kingdom of Saudi Arabia and the Republic of Estonia. It was a pleasure meeting you in person last summer, and I highly value your contribution to building a stronger partnership between our countries.

I am pleased to inform you that I am planning to visit LEAP conference in Riyadh on 5–6 March, and I would be honoured to have a meeting with you during my visit. The Estonian business delegation with a focus on FDI will be travelling with me – the companies would be most open to discussing innovation, sharing their best ideas, and learning from your valuable experience.

I am enthusiastic about our further cooperation and I highly appreciate your kind consideration in regard to the meeting during the above mentioned dates. The contact point from the Estonian side would be Ms Ege Devon, Chief Representative Officer at Enterprise Estonia GCC (Ege.Devon@eas.ee).

Please accept, Your Excellency, the assurances of my highest consideration.
